Home-Made Gas. Home-made gas is used by the Spansh peasants living in the cork-oak regions of that country, the gas being obmined from cork refuse. As described

by one authority, the process consists in filling several large teakettles with the waste bark, and placing each in turn over the fire during the evening, burning the volatile gas as it escapes from the spouts. The carbonized residue forms the fine black-brown pigment known to commerce as "Spanish-

This Guaranteed Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime Cookers. At present prices, this offer would be impossible. So, in all probability, after our supply is exhausted, it cannot be made again.

Next week the grocers of this city will once more feature this Quaker Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have supplied these guaranteed Aluminum Cookers for \$1 to Quaker Oats users. But this offer ends with our present supply, and probably forever. Unless Aluminum drops 50 per cent, we cannot again offer a Cooker like this for \$1.

But next week only we make the offer below. You can get this Cooker for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Quaker Oats and Pettijohn's cooked in perfect form, with the flavor kept intact. Our reward will come in your doubled delight in these foods.

We ask the trademarks just to show that you use our cereals. Unless you have the right flakes, right cooking does not help much. But, if you use Quaker Oats and Pettijohn's, this cooker is yours for \$1. This is for one week only. Get the packages from any grocer named below.

One Week Only-Your Last Chance

Our Offer Is This: Send us two trademarks cut from packages of Quaker Oats and one trademark cut from a package of Pettijohn's—the picture of the Quaker on the front of the Quaker Oats package and the picture of the Bear on the front of the Pettijohn's package-or, if you prefer, you may send us five trademarks from Quaker Oats alone
Trademarks must be mailed next week.
This offer applies in this vicinity only. Address

uaker Oats

The Extra-Delicious Vim-Food Flaked from Oueen Oats Only

All the world over Quaker Oats holds first place among oat foods. Oat lovers of a hundred nations send to us to get it. A billion dishes are consumed each year. Nowhere in the world do connoisseurs find any oat food to compare with it.

The reason is this: Quaker Oats is made from queen grains only—just the big, plump, luscious oats. No puny starved grains are included. bushel of the choicest oats yields only ten pounds of Quaker.

The result is a flavor which has won the world-a flavor which is matchless. Yet these large and luscious flakes cost you no extra price. Nature stores in oats a wealth of vitality which everybody needs. We want you to know this fascinating vim-food, made as we make it and

cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's laxative. Everybody every day should eat it. It means better health, better spirits, sunnier days. Without it, our diet of fine food forces folks to drugs. Pettijohn's is made to meet doctors' requirements. The bran is hidden

in flavory flakes of wheat. The food is a morning dainty which everybody likes. Yet it contains 25 per cent tender bran. The bran is in flake form, which makes it doubly efficient. Ground bran

will not do. Try Pettijohn's one week. Note its delightful effects. Never again will you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with 25 per cent bran flakes. Use it like Graham flour in any recipe.

NEW KENTUCKY REVENUE

abiy to— Classify property for taxation. Fix the rate of taxation on each class Designate which classes shall be sub-ject to local taxation.

Permanent The new law provides for State Tax a permanent State Tax Commission. Commission to carry into effect the provisions and exercise supervision over the entire question of State Taxation. To devote its entire time to the question and assume the duties of the various Boards and Commissions, now having authority to assess and tax property for State purposes at Frankfort.

tax property for State purposes at Frankfort.

Rate of The new law fixes the rate Taxation of taxation on all taxable property for State purposes at forty cents on each \$100 of assessed value, instead of fifty-five cents, as at present, on all classes of property excepting deposits in bank, which are to be taxed at ten cents on each \$100 for the purpose of encouraging thrift and savings and the circulation of money now sequestered because of excessive taxation. In other respects taxation for State purposes will be obsolutely uniform on all classes of property, whether owned by the residents of towns or the country.

Asportion The appertionment for each ment of the second fixed, and the General Expense Fund, the School Fund, the Sthoil Fund, the School Fund, the Sthoil Fund, the Kentucky University and Road Tax will receive the same exact proportion of the revenue as heretofore.
